

SC313

With a counting speed of 2,700 coins per minute, the SC313 is easy to use and handle.

In addition to accuracy and reliability, the electronic counting gives a very low sound level, which is appreciated in open areas.

Thanks to its compact size and convenient handle, the SC313 can be moved around your venue easily, saving your business time and space.

FEATURES

- Speed: up to 2,700 coins/minute
- Easy to read six-digit green LED display.
- Three memory levels with a sub-total, grand total and a separate bag count memory.
- Pre-programmed stops, up to 7 different values, with manual override, from 1-10,999 and infinitely.
